ABOUT ADPTV

Pronounced "Adaptive"

With over 30+ years of combined experience in Production & Hospitality, the team at ADPTV has been handling events from intimate gatherings of 10 to large-scale festivals of 50,000. Our expertise lies in tailoring solutions to meet project needs, aligning with budget constraints, and realizing the desired experience or aesthetic. Whether managing the entire event or assisting in specific sections, our experience positions us as a valuable asset to enhance your operation.

CLANCY SILVER

Co-Founder

Clancy has a deep understanding of logistics and extensive knowledge in event, concert, and festival production. Having toured internationally for 1500+ shows in 350+ cities for the last 8 years with Grammy-winning artist "The Chainsmokers", he brings a vast network of international resources and a unique perspective to elevate our events and set them apart from the rest.

BILLY SMITH

Co-Founder

Billy's expertise in orchestrating events and festivals is finely tuned to creative aesthetics and guest experiences. From Burning Man to Tulum to Ibiza, he has produced a multitude of experiences and activations. Billy's finesse in production, exploration of scenic fabrication possibilities, and meticulous art curation guarantee an unforgettable and seamlessly executed event experience.

A car is completely covered by a black, draped protective sheet. The sheet has two horizontal reflective white stripes on each side, near the bottom. The car is positioned on a dark rooftop. In the background, a dense city skyline is visible under a hazy, golden light, suggesting a sunset or sunrise. The buildings are of various heights and architectural styles, with some windows reflecting the light.
